Hi, Kelly – Good to hear from you. Thanks for the update.

We're still in catch-up mode following the shutdown, so it may be another couple of weeks before we're prepared to move forward. Thanks for your patience.

Best,  
Jon

Jon, it's been awhile and we have finally got our employee hired and ready to start moving forward with this Independent Study. I am also attaching the Semi-Annual Report and MBE/WBE documentation for your records. David Riesman was selected as our employee to work on this project. Looking at the draft SOW that you sent out seemed to be rather ambiguous. Don't we need to provide a little more detail?

Thanks  
Kelly

Thanks for the update, Kelly.

Unless you advise otherwise, I'm going to start scheduling our next series of planning calls, beginning the week of August 19. You should see something from me early next week.

Best,  
Jon

Jon, we are trying to finalize the paperwork for our expert and want to get the wheels moving forward with the Argonne Statement of Work.

Thanks  
Kelly
